

## 2021-2022 MS Homeschool Life Info Fair

Located at Getwell Church (7875 Getwell Rd., Southaven, MS 38672)  
July 30, 2021 from 9am-12pm

### What is the MS Homeschool Life Info Fair?

The Homeschool Info Fair is an annual event organized by MS Homeschool Life, a local Christian homeschool support group, that makes homeschoolers in our area aware of the opportunities for them both inside and outside of our group. It is a chance for homeschool families to network with one another and with local businesses and groups that offer extra-curricular activities, classes, and information that will support and enhance their homeschool experience.

### Who can participate in the Info Fair?

Local businesses, groups, and organizations that offer opportunities for homeschoolers that will support and enhance their homeschool experience are welcome to participate in the MS Homeschool Life Info Fair!

### What is the benefit of participating in the Info Fair?

The homeschool population in Desoto, Marshall, and Tate counties (and surrounding areas) is a large and thriving part of the local community! MS Homeschool Life has 160 member families (as of March 2021) and is just one of the many homeschool groups in this area.

Each business/organization/group will be provided (1) six-foot table where they may create a display, set out marketing materials, and network with attendees during the event.

### If my business/group/organization participates, what is required?

- Each vendor is required to pay \$25, to be used by MS Homeschool Life for event costs.
- You may advertise and promote your business/group/organization at the event and you may collect contact information from interested families. You may NOT collect payment of ANY kind for ANY reason on the day of the event. This is

against the policy of the hosting facility and will result in immediate removal from the Info Fair. Thank you for respecting this policy.

- MS Homeschool Life is a Christian homeschool support group. Please respect the faith and values of MSHL and our hosting facility by NOT presenting any materials, graphics, signage, information, etc. that is anti-Christian or anti-religious, or contains any objectionable language or designs. Thank you.

#### What do I do if I have questions or would like to participate in the Info Fair?
