July 28, 2023 from 9am-12pm

What is the MS Homeschool Life Info Fair?

The Homeschool Info Fair is an annual event organized by MS Homeschool Life (MSHL), a local Christian homeschool support group. It is a chance for homeschool families to network with one another and with local businesses and groups that offer extra-curricular activities for homeschoolers.

Who can participate in the Info Fair?

Local businesses, groups, and organizations that offer opportunities for homeschoolers to support and enhance their homeschool experience are invited to participate in the MSHL Info Fair!

What is the benefit of participating in the Info Fair?

The homeschool population in Desoto, Marshall, and Tate counties (and surrounding areas) is a large and thriving part of the local community! MSHL has 260 member families (as of June 2023) and is just one of the many homeschool groups in this area.

Each business/organization/group will be provided (1) six-foot table where they may create a display, set out marketing materials, and network with attendees during the event.

If my business/group/organization participates, what is required?

- Each vendor is required to pay \$25, to be used by MSHL for event costs.
- You may advertise and promote your business/group/organization at the event and you may collect contact information from interested families.
- We ask that you do NOT:
 - o Collect payment of ANY kind for ANY reason on the day of the event. (This is against the policy of the hosting facility and will result in immediate removal from the Info Fair.)
 - o Present any materials, graphics, signage, information, etc. that is anti-Christian or anti-religious, or contains any objectionable language or designs. MSHL is a Christian homeschool support group. Please respect the faith and values of MSHL and our hosting facility.

What do I do if I have questions or would like to participate in the Info Fair?

- If you would like to participate, fill out the application at HomeschoolLife.org/info-fair-form.
- If you have questions, email the MSHL Board Members at Info@HomeschoolLife.org OR call the Leader of MSHL, Christina Horton, at (901) 605-3158.
